Nashville, Tennessee 37243-1534
(615) 532-0625

PUBLIC HEARING NUMBER PH06-008

NOTICE IS HEREBY GIVEN, the Division of Water Pollution Control will hold a public hearing, pursuant to Rule 1200-4-7-.04 on:

Thursday, September 28, 2006
7:00 PM, Eastern
Knoxville Environmental Field Office
3711 Middlebrook Pike
Knoxville, Tenn. 37921

Public comments will be received concerning the application for a state water quality permit (ARAP) from:
Worley Builders, Inc.
P.O. Box 71022
Knoxville, Tenn. 37938
865-922-2600
application # NRS06.150

The proposed alterations include the encapsulation of 210.5 linear feet of an unnamed tributary to Beaver Creek. The project is associated with construction of two roadways in the proposed Village at Cates Bend development. Proposed stream mitigation would be on-site. The project is located on Cate Road, Knoxville, Knox County. Comments were received concerning the water quality impacts of culverting streams. The public notice of this project, published July 18, 2006, (NRS06.150), can be found on the Internet at <http://www.state.tn.us/environment/wpc/ppo/arap>.

Persons wishing to comment on or object to the proposal are invited to deliver oral or written comment at the public hearing. The hearing officer will limit all testimony to relevant water quality issues and may limit testimony in the interest of time, however, all persons desiring to speak will be afforded an opportunity to do so. Written testimony will be accepted for 10 days following the hearing and will be considered part of the official record. The public is also invited to submit comments in writing to the Division of Water Pollution Control at the address printed below. The comments must be received by October 9, 2006. After considering all public comments, the division will publish a final permit decision and a notice of the division's determinations.

Individuals with disabilities who wish to participate in these proceedings (or to review these filings) should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such contact may be in person, by writing, telephone, or other means and should be made no less than ten days prior to September 28, 2006, to allow time to provide such aid or services. Contact the ADA Coordinator at 1-866-253-5827 for further information. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298).

Interested persons may obtain additional information, or inspect and copy the application and related documents at the division's office in Nashville at the address listed above or at the Knoxville Environmental Field Office.
